Appendix 1 Fees

This Appendix specifies the fee rates that the BSP shall pay to eSett in the balancing service settlement. The rates herein are valid at the time of entering into the Agreement and may be amended with one (1) months' notice.

1 Fee levels

1.1 The applicable fee rates per fee category and country are defined in the following table.

	Denmark	Finland	Norway	Sweden
Regulation Imbalance Fee	Service not available	1,150 EUR/MWh	N/A	Service not available
Weekly Fee	Service not available	30 EUR/Week*	N/A	Service not available

* Applied only if BSP provides balancing services as independent aggregator
